

Writing Assignment Number 1

The purpose of this paper is to explain why I am taking auto shop (but don't write this).

First create a thesis statement.

Start with something like:

I really love auto shop because...

I really detest auto shop because...

I have taken many classes in high school, but now I am taking auto shop and...

Then finish the sentence with three to four reasons why you feel the way you do about auto shop.

For example:

...I want to be able to repair my own car

...I want to pursue a career in auto

...I never want to be ripped off by a shop

...I would love to customize my car/truck

...I trust my own work

...I love to get greasy

...I hate to get greasy

...I hate having to rely on _____

...saving money is important to me

...I don't want to be helpless

...I want to get a job working at _____

...my hobby is _____

The assignment will include a minimum of four paragraphs with at least five sentences each.

The first paragraph will include your reasons above for taking this class including examples of why you feel the way you do. Maybe your parents have been ripped off by a shop, maybe your friend repairs his/her own vehicle, maybe you felt helpless when your car broke down recently...use your own personal examples why you feel the way you do.

Starting with the second paragraph, the second sentence in each paragraph will start with "For example," and then continue with examples of what you are talking about.

The last paragraph or sentence should be your conclusion emphasizing your original thesis statement.

This assignment is due the day it is assigned. You have the whole period to complete it.
